DigiGirlz x Girl Guiding

Join the DigiGirlz team for our last big event this Financial Year on the 4th June from 10-1. This event is targeted towards Girlguides* in the UK aged 10-16 but is not inclusive to. This day is jam packed with our most popular sessions, there will be a live demo on how the Power Platform allows anyone to make apps. There will be 2 different levels of coding classes, which you can choose from. We welcome anyone whether you have no experience of coding to wanting to explore the more intricate levels of coding. After all of this we will be joined by the UK CEO Clare Barclay who will be telling us all about her inspiration story and an Early In Career Panel where you can ask your questions.

*We ask that if you are part of a Girlguide unit, when you fill out the form please put your unit name in the school section.
